

Bardo St James's Events and Private Hire

Bardo St James's is a high-end Italian restaurant located at One Pall Mall - an ideal central address for both private and corporate events.

It is comprised of an extensive bar, a vast dining space, a private dining room, a private lounge, and a walk-in wine cellar boasting an extensive selection of fine wines.

Inside, opulent materials sourced from Italy create sophisticated elegance and gravitas under the influence of modern Art Deco. The venue's main features are the beautiful stage which showcases live music every evening, and the polished marble bar that runs across an entire wall.

The kitchen is headed up by the Executive Chef Graziano Bonacina who has designed a seasonally evolving menu of sophisticated dishes. These are unique, modernised interpretations of the traditional Italian cuisine.

Bardo St James's is a versatile space with various rooms that can be adapted to meet a variety of bespoke event requirements, of both large and small party sizes - be it for just drinks at the bar, basic cocktail-and-canapé receptions, or full sit-down dinners.
